2021 Annual Giving Appeal

Jane Franklin Hall has a long history of engaging with the community to nurture graduates who attribute their Jane experience to their successes in life. This year, with the emergence of COVID-19, it has become increasingly evident that our students need Jane's support and engagement right now, and more than ever before.

Throughout Jane's 71-year history, much has been achieved by the generosity of you, our former students, current and past parents, staff members and friends of the College. You make things possible.

In 2021, your support will help us to renovate our buildings. Already, your donations have contributed towards revamping the Senior Common Room, renovating the Aldridge "Dungeon", refurbishing the Dining Hall and have given some love to our already beautiful gardens. More needs to be done; your support will help us get there.

"The new dining hall is a central location which offers a bright and welcoming atmosphere. This fosters the unique relationships that form the backbone of Jane's community."

- Meth Prathapasinghe
2nd year Medicine student

"I love the Senior Common Room because it's so homey and modern, and shows how progressive the College is but also maintains tradition."

- Nicki Squibb
3rd year Marine and Antarctic Studies student

This year, your donation will move Jane into the next stage of our revamp as we turn our attention to:

- Finishing off the Dining Hall, equipping it with good sound and audio-visual equipment and reinstating the honour boards
- Refurbishing Barrett, bringing colour, life and good heating to each of the rooms
- Refurbishing the remaining two floors of the Aldridge building

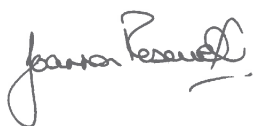

Every little bit helps. Every little bit supports Jane to continue our work, supporting students to connect, belong and achieve. And this year, we would like to thank you for rallying together in this world of uncertainty impacting the most on the students we support. Your donation, no matter how big or small will make a difference!

"While our 2020 was as challenging as yours no doubt was, we also experienced the best of our community. We came together with our usual irrepressible Jane spirit to study, socialize and just be together at time when so many were isolated. Our spaces have never been so important"

- Joanna Rosewell
