COLLEGE OF

UNIVERSITY of  
TASMANIA

## JANE FRANKLIN HALL

Jane Franklin Hall provides a true college experience for students at the University of Tasmania.

Our mission is to provide a life-enhancing learning and living experience in a collegiate environment for undergraduate and postgraduate students. This is achieved through an emphasis on community, academics and inclusivity.

It is through the college lifestyle that we believe students get the most out of their time at university. The years they spend studying are some of the most important and rewarding of their lives. At Jane, we work to ensure they are also the best years, ones to be remembered fondly and never forgotten.

## SCHOLARSHIPS AT JANE 2020

In partnership with benefactors from around the world, Jane Franklin Hall provides tens of thousands of dollars annually to its residents in the form of scholarships.

Scholarships are crucial to achieving our mission, allowing talent and motivation to be the guiding principles for entry into Jane and not personal circumstances or financial constraint.

Scholarships are awarded on specific criteria for each scholarship. For some scholarships, the amount of money awarded varies according to monetary interest rates and the generosity of particular donors.

Scholarships are paid as a remission of fees and students are encouraged to apply for as many scholarships as possible.

## SELECTION PROCESS

To be considered for a scholarship at Jane Franklin Hall, students must have applied for residency of Jane prior to 9.00am on the 22 November 2019.

The Jane Franklin Hall Scholarships Committee meets in late November and in the second week of January each year to determine scholarship recipients.

Selection of the successful recipients of the Damon Courtenay Memorial Scholarship, the Jane Franklin Hall Regional Scholarships, the James Fenton Memorial Scholarship, the Alumni Scholarship, the Audrey Lee Scholarship and the Fellows' Scholarships is undertaken by assessing all those who applied for "Jane Franklin Hall scholarships" on the University of Tasmania website. Students who do not apply for these scholarships cannot be considered even if their results were higher than those received by the scholarship winner.

The College liaises with the University Scholarship Office to ensure wide distribution of scholarships, although scholarship applicants are encouraged to apply for as many scholarships as they are eligible for.

Successful applicants are notified by e-mail as soon as practicable in late January, although it is possible that some recipients may not be informed until the beginning of Semester 1. The Committee's decisions are final and no further correspondence will be entered into. Unfortunately, due to the tight timeframes we work on, unsuccessful applicants will not be contacted.

All scholarship recipients must be residents at Jane in 2020. Withdrawal from the College will mean forfeiture of the scholarship. Unfortunately, due to the nature of funding for scholarships, deferrals of scholarships are not permitted.
