Jane Franklin Hall is a residential college for students of the University of Tasmania

JANE
FRANKLIN HALL

Life at Jane Franklin Hall

Living at Jane is about more than having a bed: it's an experience that transforms young adults into the people that they strive to be and forges ties to a unique community that extends worldwide. It's an experience that they can attribute to their success in life and one they'll never forget.

We are proud of our strong history supporting students to develop their academic, social and professional achievements. Many remain connected to Jane and enrich experiences we offer our residents and non-resident members throughout the year.

We aim to harness students' strengths, help them to grow into University life and make a positive contribution to the lives of others and the world around them.

Scholarships at Jane in 2025

In partnership with benefactors from around the world, Jane Franklin Hall provides tens of thousands of dollars annually to its residents in the form of scholarships.

Scholarships are crucial to achieving our purpose, allowing talent and motivation to be the guiding principles for entry into Jane and not personal circumstances or financial constraint.

Scholarships are awarded on specific criteria for each scholarship. For some scholarships, the amount of money awarded varies according to monetary interest rates and the generosity of particular donors.

Scholarships are paid as a remission of fees and students are encouraged to apply for as many scholarships as possible.

As most of our scholarships are community focussed, shortlisted applicants will be required to attend an interview at the College, preferably in person.

"Being awarded the Jane Franklin Hall Community Scholarship was an amazing opportunity and really helped ease the financial burden that comes with moving out of home. Jane offers a lot of different scholarships and I highly recommend anyone thinking of moving to Jane to apply for as many as they are eligible for."

"Receiving a Jane Franklin Hall scholarship has meant that I can be financially independent after completing Year 12. This scholarship also means that I can fully immerse myself in the Jane Franklin Hall culture and community, as I do not have to work so much. My favourite part about Jane is the friendships I have made. Living at a residential college makes it really easy to forge and maintain new friendships. Receiving a scholarship from Jane has made a world of difference for me."

How to apply

Apply for Jane Franklin Hall scholarships via application forms available online at:
www.jane.edu.au/fees-scholarships/scholarships

The following scholarships must be applied for through the University of Tasmania website at:
www.utas.edu.au/scholarships

- Hilary and Alan Wallace Scholarship in Medicine
- James Fenton Memorial Scholarship

Applications for the 2025 academic year close on 31 October 2024.

Selection process

To be considered for a scholarship at Jane Franklin Hall, students must have applied for residency at Jane prior to 9.00am on 31 October 2024. Those who have submitted an application for a scholarship but have not submitted an application for residency at the College by the due date will not be considered for a scholarship.

With the exception of the Hilary and Alan Wallace, the James Fenton and returning students scholarships, shortlisted applicants for all other scholarships will be required to attend an interview with the panel. Interviews will be held from 25 November. It is preferred that successful candidates attend an interview in person but arrangements can be made for applicants to interview via Zoom if necessary.

The Jane Franklin Hall Scholarships Committee meets in November and in the second week of January each year to determine scholarship recipients. Successful applicants are notified by email as soon as practicable after those meetings, although it is possible that some recipients may not be informed until the beginning of Semester 1 2025.

Selection of the successful recipients is undertaken by assessing all those who applied for scholarships. Students who do not apply cannot be considered even if their results were higher than those received by the scholarship winner.

Scholarships applicants are encouraged to apply for as many Jane and University scholarships as they are eligible for.

The Committee's decisions are final and no further correspondence will be entered into. Unfortunately, due to the tight timeframes we work on, unsuccessful applicants will not be contacted.

All scholarship recipients must be residents at Jane in 2025. Withdrawal from the College will mean forfeiture of the scholarship.

Unfortunately, due to the nature of funding for scholarships, deferrals of scholarships are not permitted.
