

# What to bring with you

Your room will have:

- a bed (single or king single)
- a mattress and mattress protector
- a desk
- a desk chair
- a wardrobe with drawers, or a separate chest of drawers
- a whiteboard
- a heater
- a mirror
- a rubbish bin

Unless you have purchased a linen pack from the College, you'll need to bring your own bedding (including pillows), towels and linen. You'll also need to bring coat hangers, laundry power and a laundry basket or bag to cart your things to the laundry.

Students generally like to bring items to make their rooms for homely. Some suggestions are:

- a lamp for your desk
- posters, photos and pictures
- an extra chair or a bean bag for friends to sit on
- a rug for your floor
- books
- pot plants
- mugs, glasses, teaspoons (please no kettles or microwaves as tea and coffee making facilities are available in kitchenettes)

Some students bring a small bar fridge for their rooms or a TV. This is OK, but you'll need to have any electrical items tested and tagged by our Maintenance team before you can install them. You can also bring electric blankets, but you'll also need to get them tested and tagged.

Of course, you'll also be bringing clothes, toiletries, stationary and items for your studies.
