JANE

“

A STAY
HERE STAYS
WITH YOU
FOREVER”

Introduction

The fees document details everything you need to know about covering the costs of staying with Jane. We believe it's one of the best value ways to live while studying at the University of Tasmania, because Jane is much more than a desk and a bed in a room.

Jane can make a real difference to how things work out. The academic support team can help you find ways to learn and study that suit you best. We're also here for the non-academic side of things too, with advice, ideas and a tonne of fun. Not to mention three home-cooked meals every day. All of that and so much more is included in our fees.
